Murgatroyd & Ogden, Architects

SARGENT HARDWARE... *to help assure a hearty welcome*

HOSPITALITY and excellent service may be found in the Hotel Governor Clinton. No efforts have been spared to provide its guests with unequalled comforts and conveniences. Its construction is massive, strong and time-defying. Its trim and decoration are modern yet tastefully restrained.

Throughout this very modern hotel the hardware equipment is Sargent. Maximum security and utmost

convenience are assured to every guest. The management can count on the best possible protection. Of solid brass or bronze, precisely machined, this excellent Sargent Hardware will contribute its share towards the lasting usefulness of this outstanding structure.
